

Clemson Boutique Hotel

Clemson, South Carolina

Hospitality

This is the redevelopment of a property in downtown Clemson, SC of approximately .25 acres fronting on College Avenue with access also off of Sloan Street. The existing two story building on site will be demolished. A hotel/mixed use development was designed and will include a ground floor lobby and retail/restaurant. The upper floors will include 70 hotel guest rooms. The third floor is set back from College Avenue with the tallest portion of the building extending to a sixth floor.
